Tiffany Potterfield

Dear York Manor Swim Club Member,

Welcome to another summer at York Manor! We look forward to seeing you all again, and to celebrate another summer with friends and family in our great community. Opening Day this year will be Saturday, May 26<sup>th</sup> at 11 a.m. Our Clean-up Days will be May 12<sup>th</sup> and 19<sup>th</sup> starting at 8 a.m. You can earn free guest passes by volunteering on clean-up day. All members who work for at least 2 hours will receive 2 free guest passes.

The Board has been busy all winter planning for a great summer. We have completed many needed upgrades and repairs to the grounds including the water fountain, related storm damage and general grounds as well as adding a security system. We are excited to have a new sound system for the pool, added landscaping to enjoy and some fun games.

Additionally, we have planned a fun-filled social calendar! Again, this year, all special events, except for Kids Night and Middle School Night, will be free of charge to members. The pool will remain open during set-up for most social events. Please check the website for the entire social calendar.

Included in your membership again this year will be free guest passes. Single Adult Memberships will receive 4 guest passes, Adult + 1 Memberships will receive 6 passes and Family Memberships will receive 8 passes. These passes are available electronically in your account and are non-transferrable. Paper passes from previous years are no longer valid.

### **Guest fees:**

Monday through Friday \$5 for children and adults  
Saturday and Sunday \$10 for children and adults If you  
would like to prepay for your guests, please see a  
manager. Guests are not permitted on Opening Day or  
Labor Day.

We are happy that Debbie Shipley will be returning as our Manager again this year and will be joined by Dan McGrain and Josh Minick as Assistant Managers. We have a great management team and are confident that they will be available to you in any manner that you should need. Should you have any questions or concerns, please do not hesitate to speak with any of them. We are excited to announce that Amy Anderson will be returning as Manager of the Snack Bar. Amy has hired a great group who will be working with her this summer.

To allow additional pool time for toddlers before naptime, we will be opening our baby pool an hour earlier. Only the baby pool will open at 10 a.m. Please remember that the baby pool is to be used by children ages 6 and under. After July 21, the earlier opening will apply to the baby pool and main pool.

Please be aware that all members and guests must stop at the front desk to sign in. We ask for your patience and cooperation upon entering the gate. **All members must have a picture on file in our electronic system.** Please inquire at the front desk if you have not had your picture taken. Members are responsible for the actions of their guests and must be present when their guests are on the premises.

We ask that you call the office (410-321-3780) only to speak with Management or to obtain information regarding closings/event cancellations. Please call the front gate (410-321-0389) to page someone. We also utilize the Rained Out system of notifying you of any closings or changes in the day-to-day operations of the pool. This will send a text message directly to your phone. If you would like to sign up for this, please check the bulletin board at the pool or sign up directly through Rained Out. Please visit our website [www.yorkmanorswimclub.com](http://www.yorkmanorswimclub.com) and follow us on Twitter, Instagram and Facebook.

Please note the following rules:

- No one under the age of 18 will be permitted in any part of the main pool during the adult break.
- All children who are not toilet trained must wear swim diapers, covered by rubber pants in both the main pool and the baby pool. These must be worn the entire time the child is in the pool. Swim diapers and reusable rubber pants will be available for purchase in the Manager's office.
- **Although the baby pool will have a lifeguard on duty, parents are responsible for watching their children.**
- There will be no smoking anywhere inside the fenced in area. This also include E-cigarettes/vaping. There is a designated smoking area outside of the fence. Please use the smoking receptacle provided.
- No glass containers will be permitted inside the fenced in pool area.

A full list of pool rules is posted outside of the Manager's office and on the website. It is very important to comply with the Rules and Regulations so that we can all have a safe summer.

We are looking forward to seeing you soon!

Sincerely,  
Kristina Bayne, President  
YMSC Board of Trustees
