

# Babysitter Contract

A babysitting contract will permit a sitter of working parents to attend the pool while caring for children who are members of the pool. You may choose to pay monthly (May/June, July, August/September) or for the entire summer. Monthly payments are payable at the beginning of each month. The Rules are as follows:

## BABYSITTER CONTRACTS

1. Babysitters, whose names are shown on the babysitter contract, may be admitted to the pool only to perform their duties as a babysitter.
2. Babysitters must enter the pool at the same time as the children from the contract.
3. Babysitters may not attend the pool with an adult member from the contract unless children are 6 and under or require special assistance.

Please submit this contract and payment to the front office.

( ) I will be paying a flat fee of \$60 per month.

( ) I will be paying \$150 for the entire summer. (Fees will be prorated based on date of pool opening)

- Three babysitters are allowed per family if they change each month. (Members must notify membership when there are changes.) Using multiple babysitters in a one month period is strongly discouraged during COVID in order to limit membership exposure to non-members.
- Babysitters must be at least 16 years of age.
